

A Quote for Puppet Preachers

By
Scott Parker

Below is a quote. The words were spoken by a favorite preacher of those who prefer innovations to sound doctrine. Later, the preacher would cave in to the cry of the masses - repudiating the truth and fighting for error. I imagine most liberal preachers who have been trained to be professional puppets via "Preacher Training Schools" have no idea of the ground their hero once stood. Also, I wonder if they would have called Mr. Woods an anti.

"The ship of Zion has floundered more than once on the sand-bar of institutionalism. The tendency to organize is characteristic of the age. This writer has ever been unable to appreciate the logic of those who affect to see grave danger in the missionary society but scruple not to form organizations for the purpose of caring for orphans, and teaching young men to be gospel preachers."

Guy N. Woods, ACC Lectures, 1939, p. 54
