Hello Dan:

This is Scott Parker. I am a son-in-law to John and Pat McCullum – members of the Overland Park "church" of Christ. Last spring we had a very brief telephone exchange in which you hung up on me. During that same season we also exchanged a few emails before you ceased correspondence claiming you had "too much on your plate" to answer several questions I had (many were "yes" or "no"). My wife is going to suggest that her parents meet with a sound Christian from the KC area to get a truly biblical perspective of the women's role in the NT economy. If her parents agree to the meeting, I was wondering if you may be willing to sit in on that discussion so as to present the views OP advances (**1 Peter 3:15**). Give me a call, or if you are unwilling to do so, please email me your response. I will be forwarding this to the McCullum family.

Dear Scott,

I would prefer not to.

God bless you,

Just as I suspected... typical liberal. I cringe for your soul come that day.
