## **Gay and Lesbian Members of the**

### **CHURCHES OF CHRIST**

In 1979, gay and lesbian members of the Houston area Churches of Christ formed a fellowship to provide educational and spiritual support to each other and the Church as whole. We are named A Cappella Chorus because most congregations of our fellowship have no instrumental music.

A Cappella Chorus/Houston publishes a bulletin every other month which is mailed to gay members of the Church in 27 states, South Africa and Micronesia. It is also mailed to non- gays within the Church nationally to enlighten their consciousness. Numerous social outings, luncheons, homecomings, gospel meetings, singings and clothing drives for the homeless are held annually. Tracts are available on topics ranging from “About Coming Out” to “Answers to a Parent’s Questions about Homosexuality.”
