

THIS SUNDAY NIGHT!

Our next "Gathering" is this Sunday, November 30th at 5:30 p.m. EVERYONE, whether in a group or not, is encouraged to come and participate in worship, a meal and togetherness. LIFEgroups, including the Super-group, need to bring enough food for their group plus a little extra for those not currently in a LIFEgroup. The menu is sandwiches, chips, finger foods and finger desserts. Drinks will be provided.

TAKE DOWN/SET UP

Truly a reason for thanksgiving!

Barbara Koster received her new heart on November 15, 2007. It has been a tough year; she has been up against issues that are uncommon. Many surgeries to heal from and as well as alterations and changes of her medication to which her body had to adjust. This week, for the first time, she received news that her biopsy is a ZERO - the best it can be!!! Her virus level is negative. Truly a reason for thanksgiving!
Please continue to pray for her, Robert, Jess and Jack. They are so very thankful for the support and continued prayers they receive.
