

A Dream Becomes A Reality ...

McDonough Bible Institute is a single purpose college. Our goal is to prepare persons in the word of God and ministry skills in order to be more effective in their Christian lives and church activities.

We exist for the sole purpose of providing programs of study in Bible, theology, divinity, religious education, missionary training, and training for church ministry.

We are a Bible Institute seeking to honor God in all of our academic programs. We offer degrees in:

- * **Associate of Biblical Studies**
- * **Bachelor of Biblical Studies**
- * **Master of Biblical Studies**

McDonough Bible Institute is a reality because of the dreams of the McDonough Church of Christ. Their desire to see the gospel spread world-wide and to prepare Kingdom Dreamers for service in the Lord's Church motivated the beginning of McDonough Bible Institute.

Just what passage of the NT do these "sound" men turn to that authorizes human institutions to do spiritual work? Which passage authorizes the unscriptural titles listed?

Location

McDonough Bible Institute is located in the Southern Crescent of Metropolitan Atlanta. This central location is growing and thriving. Henry County is in the top ten fastest growing counties in our nation.

Unlike some of our sister states, Georgia is truly a "field white to harvest" for the Lord. Many counties in the state do not have a congregation of the Lord's people worshipping in it, thus magnifying the need to prepare Kingdom Dreamers locally.

Conveniently located just 30 miles south of Hartsfield-Jackson International Airport and 2 miles off of McDonough's Historic Square.
