

# **ROGER SHEPHERD ASKS FOR MONEY** **FOR AN UNSCRIPTURAL INSTITUTION**

Remember, “A lot of littles make a whole lot!” Let’s apply this to what is known as “84 cents difference.” Suppose you contribute 84 cents a day to the training of preachers. Your first thought may be something like, “What in the world can you do with 84 cents?” A lot! Let me qualify my response. If you will give a minimum of 84 cents a day for 365 days, that will amount to \$306.60 in one year. This would average about \$25.55 each month. “A lot of littles make a whole lot!”

Now let’s dream. Imagine if several hundred people joined hands with you and also gave 84 cents per day toward training preachers. That would make a major difference. This is simple and affordable way for you, and each member of the Lord’s body, to make a difference in the mission field. Let’s go to a smaller amount of 56 cents a day which would amount to \$17.04 per month and \$204.40 per year. Let’s go to a smaller amount of 28 cents a day which would amount to \$8.52 per day and \$102.20 per year.

The board, administration, and staff of McDonough Bible Institute ask you to contribute in order to invest in souls for time and eternity. Will you take a few moments and select the plan you want to subscribe to:

Plan A: \$25.55 per month/24 months

Plan B: \$17.04 per month/24 months

Plan C: \$8.52 per month/24 months

Plan D: \_\_\_\_\_ per month/24 months.
